EXPERIENCE

Design Consultant

The Key PR, San Francisco, CA

March 2020- April 2023

- Designed 10+ new business proposals, translating internal narratives into clear, compelling, and creative presentations
- Strategized with principals and directors on pitch decks for wide audiences, including investors, partners, and communities
- Composed original content in a brand-specific voice, including press releases, media lists, social media graphics, and briefing documents

Seasonal Print Quality Specialist

Minted, San Francisco, CA

November 2019- December 2019

- Resolved 170+ customer requests involving design modifications and graphic edits
- Proposed and executed unique ideas to customers when styling beautifully designed products that reflect Minted's brand
- Collaborated with peers to fulfill escalated orders and deliver design materials on time
- Leveraged organizational skills to fulfill same-day requests and exceed customer satisfaction

Fourth Grade Teacher

Chinese American International School

San Francisco, CA

August 2022- Present

- Develop and implement multi-modal and interdisciplinary language arts, social studies, and mathematics unit lessons across second and fourth-grade classrooms
- Facilitate reading assessments and analyze data to design targeted instruction
- Establish a culturally responsive learning environment to increase student engagement and build on students' cultural and linguistic assets
- Consult with families and faculty to provide differentiated instruction based on students' strengths and needs
